

# Food Service

# TRIO KLEEN™

With only three Innuscience products, your cleaning teams are able to cover almost all cleaning needs. **Trio Kleen™** solution combines safety for users, a minimal impact on the environment as well as providing a unique level of biotechnology performance for cleaning.

## Nu-Kleen All Agro™

Food contact surfaces

### ALL SURFACE CLEANER AND SUPER-DEGREASER FOR THE FOOD INDUSTRY

#### DESCRIPTION

**Nu-Kleen All Agro™** is a biotechnology-based all surface cleaner and degreaser for the food services industry. It quickly cleans and deep-degreases most surfaces.

#### USE

**Nu-Kleen All Agro™** is ideal for cleaning and degreasing counters, walls, floors, worktables, accessories and equipment. It is the ideal solution for the preliminary deep-degreasing that is essential to effective disinfection.

Product approved by the CFIA

## Nu-Grip Plus™

Greasy and slippery floors are history.

### ALL SURFACE AND KITCHEN FLOOR CLEANER AND DEGREASER

#### DESCRIPTION

**Nu-Grip Plus™** is a concentrated biotechnological product that rapidly and thoroughly removes oils, greases and other dirt, leaving a biofilm on floors that make them much less slippery.

#### USE

**Nu-Grip Plus™** is ideal for kitchens, restaurants, food fairs, dining rooms, cafeterias, supermarkets and other places where food is handled or served.

Product approved by the CFIA

## Nu-Trap™

Easily cleans grease traps, pipes and drains.

### GREASE TRAP, DRAINS AND PIPES TREATMENT

#### DESCRIPTION

**Nu-Trap™** is a biotechnological product that effectively biodegrades greasy buildup and other organic residue in grease traps. It helps control grease waste and reduce foul odours. **Nu-Trap™** can also be used for maintaining drains and pipes.

#### USE

**Nu-Trap™** is ideal for food processing plants, restaurants, food courts and anywhere food is served and/or processed. Ideal for workshops and the industrial sector.

Product approved by the CFIA
