

Tom Grimm

Business Development Agent - ASEAN

Tom has more than 35 years of sales and marketing experience in earth friendly products and technologies, including energy efficient lighting, hotel and building energy management systems, solar energy, biotechnology cleaners and water sanitizing. He holds a BS and MS in Engineering from Carnegie-Mellon University in the US.

For the last seven years Tom's focus has been to promote green technology products in Thailand and SE Asia through his Bangkok based company, Green Footprint Solutions Ltd.

Recently, Tom transferred the InnuScience biotechnology business to Peerapat Technology Company with the goal of further increasing market share of bio-based cleaning products throughout the ASEAN region. In the process, Green Footprint Solutions Ltd has discontinued operations.

Tom will continue to provide business development and technical support for several companies in the green technology space.

Originally from New York, Tom now resides in Bangkok.
